#### Unlisted Misdemeanors

For all offenses chargeable as straight misdemeanors under state statutes or municipal or agency ordinances, for which there is no uniform bail and which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$500**, except that if the minimum fine for the offense (not including any penalty assessments) is greater than **\$500**, then the bail is the amount of the minimum fine.

For all offenses chargeable either as a felony or a misdemeanor ("wobblers") for which there is no uniform bail and which are not otherwise provided for in this schedule, the bail is **\$750** (not including any penalty assessments), except that if the minimum fine is greater than **\$750**, then the bail is the amount of the minimum fine.

## GENERAL PROVISIONS (continued)

### Use of this Bail Schedule

The purpose of this bail schedule is to fix an amount upon which a person who is arrested without a warrant may be released from custody prior to appearance in court. At and after the defendant's first appearance, pursuant to Penal Code section 1269b(b), the amount of bail, if any is allowed, shall lie with the sound discretion of the judicial officer before whom the defendant appeared, and which may be greater or less than the amount set forth in this schedule, subject to the provisions of Penal Code section 1275. This schedule may also be used by a magistrate in fixing bail pursuant to Penal Code section 815a at the time an arrest warrant is issued, the amount of which lies with the sound discretion of the magistrate.

When a defendant is booked for or charged with two or more misdemeanor offenses, bail shall be the amount computed under this schedule for the charge having the highest bail except where the offenses are committed against separate victims or on separate dates.

### Penalties and Assessments

"P." designates the state penalty, county penalty or any additional penalty required by law. When an offense listed in this schedule requires a court appearance ("Ct."), the assessment shall not be added to the bail amount. Upon conviction, however, the assessment shall be added to the fine imposed.

An additional penalty of **\$29** shall be levied upon every **\$10**, or part of \$10, upon every fine, penalty, or forfeiture imposed by and collected by the court for criminal offenses. The additional penalty is calculated as follows:

- State penalty required by PC § 1464 ..... \$10
- County penalty required by GC § 76000(e) ..... \$ 7
- State court construction penalty required by GC § 70372(a)..... \$ 5
- DNA Identification Fund penalty required by GC §§ 76104.6 and 76104.7..... \$ 5
- Emergency medical services penalty required by GC § 76000.5..... \$ 2

Penal Code § 1464(b) provides that in the case of multiple offenses, the amount of "additional penalties" is to be determined by the total base bail or fine for all offenses cited, and if the fine or base bail is suspended in whole or part, the "additional penalties" shall be reduced in proportion to the amount of suspension.

In addition to the penalty calculated above, Penal Code § 1465.7(a) requires imposition on criminal offenses of a state surcharge equal to **20** percent of the base fine used to calculate the state penalty assessment as specified in Penal Code § 1464(a).

Penal Code § 1465.8 requires imposition of an additional assessment of **\$40** for court operations on every conviction for a criminal offense, including a traffic offense, except parking offenses as defined in Penal Code § 1463(i).

Government Code § 70373 requires the imposition of a conviction assessment, on every conviction for a criminal offense, including a traffic offense, in the amount of **\$30** for each misdemeanor and **\$35** for each infraction.

For additional penalties and fees relating to Vehicle Code violations see page 24.

### Abbreviations

## VEHICLE CODE

### GENERAL INFORMATION

#### Unlisted Misdemeanors

For all violations of the State Vehicle Code or County Code constituting misdemeanors, which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$300**, except, if the minimum fine is greater than **\$300**, the bail shall be the amount of the minimum fine.

#### Unlisted Infractions

For all unlisted Vehicle Code infractions, including unlisted subdivisions, the bail is the amount set for the general category of those offenses in the Uniform Traffic Bail and Penalty Schedule, except that if the minimum fine is greater than the amount indicated below, then bail is the amount of the minimum fine:

Category 1	<b>\$25</b>	Bicyclist, Motorized Scooter, Pedestrian, Pocket Bike, Vehicle Registration and Equipment Offenses
Category 2	<b>\$35</b>	Driver's License, Operation of Vehicle, and Size and Load Offenses
Category 3	<b>\$70</b>	Substance Abuse Infractions, VC §§ 2818, 20004, 21706.5, and 27375

For all violations of County Code constituting infractions, which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$35**, except that if the minimum fine is greater than **\$35**, the bail shall be the amount of the minimum fine.

#### Arrest Without Warrant

When a defendant is arrested without a warrant for more than one misdemeanor offense, the defendant shall be entitled to his release upon posting bail in the sum equal to the highest bail fixed for any one single offense with which he may be charged.

#### Prior Offenses

The indicated bail/ penalty is for one Vehicle Code moving violation that is assessed "points" on a current arrest or citation. The penalty for a Vehicle Code offense shall be enhanced by **\$10** for each "prior" conviction. For calculating enhancement, both the current and "prior" offense must be a moving violation for which a "point" has been assigned per Vehicle Code § 12810 or 12810.2. Regardless of the number of moving violation convictions on a citation only one "prior" per citation shall be counted in determining the enhancement of the current offense.

An offense for which one or more points have been assigned is identified by an exclamation mark "!" in the "P" (penalties) column.

In the case of an owner responsibility citation (see Vehicle Code § 40001(a, b)), the "prior" must relate to the particular vehicle for which the new offense is charged.

#### Additional Penalty for Vehicle Code Violations

In addition to the penalties and assessments listed on page 2 of this bail schedule, Government Code § 76000.10 requires the imposition of an additional penalty of **\$4** upon every conviction for a violation of the Vehicle Code or a local ordinance adopted pursuant to the Vehicle Code, except parking offenses. Government Code § 76000.10(c)(1). The assessment of this penalty is due to end on July 1, 2020.

#### Traffic Violator School Fee

A fee of \$49, added to the total bail, shall be collected from every person who is ordered or permitted to attend a traffic violator school. Vehicle Code § 42007.1(a).

#### Bail on Accident Cases

Bail shall be set as for underlying violations.

## VEHICLE CODE

### Penalties Column

"P." designates the state penalty, county penalty or additional penalty required by law. When an offense listed in this schedule requires a court appearance ("Ct."), the additional penalty shall not be added to the bail amount. Upon conviction, however, the additional penalty shall be added to the fine imposed.

For Vehicle Code offenses, the Penalties Column includes the symbols designating point offenses ("I") and offenses which may be charged as occurring either in a highway construction or maintenance area ("•").

### Court Appearances

With the exception of juveniles under age 18, there shall be no mandatory court appearance required for any infraction of the California Vehicle Code punishable by fine only. A court may require a mandatory appearance for an infraction violation of the Vehicle Code when a statutory driver's license restriction, suspension, or revocation is authorized, community service or proof of payment or correction is mandatory, or a violation requires specific action under the Vehicle Code in addition to the fine. This paragraph does not apply to violations of local ordinances based on Vehicle Code sections.

### Abbreviations and Symbols

"Ct." designates "court appearance."

"I" designates "infraction."

"M" designates "misdemeanor."

"P" designates "penalty."

"E. P.C." designates the offenses potentially eligible for "proof of correction" or "compliance." When the citation indicates that it is issued in accordance with Vehicle Code § 40610(b) and proof of correction is submitted within the time limitation specified in the citation or any continuance granted, the violation shall be dismissed as provided for in Vehicle Code § 40522. Vehicle Code § 40611 authorizes courts to collect a **\$25** transaction fee for each violation. No bail amount shall be collected.

If a citation does not indicate that an offense is eligible for correction, a court may presume that the offense is cited as noncorrectable. (See *California Highway Patrol v. Superior Court* (2008) 158 Cal.App.4th 726., 740.)

"I" designates a Vehicle Code offense for which one or more points have been assigned pursuant to Vehicle Code §§ 12810, 12810.2, 12810.3, and 12810.4.

"•" designates those offenses which may be charged as highway construction or maintenance area offenses (Vehicle Code § 42009).

### Highway Construction or Maintenance Area Offenses (Vehicle Code § 42009)

**Infractions:** The bail for designated offenses is increased by **\$35**, if committed in a highway construction or maintenance area, except as noted for specified offenses. The bail for speeding offenses is indicated on the chart entitled "Increased Bail Amounts for Violations in Highway Construction Zones (Section 42009)."

**Misdemeanors:** The bail for designated offenses is **doubled**, if committed in a highway construction or maintenance area.

### Evidence of Financial Responsibility

Pursuant to Vehicle Code § 16028(e), upon submission of evidence of financial responsibility, in a form consistent with Vehicle Code § 16020, showing that the driver was in compliance with that section at the time the notice to appear for violating subdivision (a) of Vehicle Code § 16028 was issued, further proceedings for the violation shall be dismissed and no bail amount shall be collected. Vehicle Code § 40611 authorizes courts to collect a **\$25** transaction fee for each violation that is dismissed pursuant to Vehicle Code § 16028(e).
